The Center for Fine Art Photography presents its newest exhibition, *Idea of Self*. This exhibition is on display in the Center's gallery from February 13 through March 14, 2009. The artists' and public reception will be held at the Center from 6-9pm on Friday March 6, during the Fort Collins Gallery Walk.

The *Idea of Self* takes us on a journey of self exploration and discovery. This investigation of who we are or who we think we are is uniquely represented through the art of photography. "I got completely dragged into the artists' emotional lives", said Juror Susan Zadeh, editor and founder of Eyemazing Magazine. Zadeh selected forty-nine photographers representing Australia, Canada, France, Norway, United Kingdom and the United States to exhibit their work in the Center's gallery.

**The Center for Fine Art Photography** is a non-profit organization whose mission is to promote photographic arts. Enjoy art and a cup of coffee at the *f/Stop* Café in the Center's new location adjacent to the Poudre River Arts Center, at 400 North College Avenue, Fort Collins, CO. Gallery hours are 10am-5pm Tuesday through Saturday. *f/Stop* Café hours are 7:00am-3:00pm Monday through Friday and 9:00am – 3:00pm on Saturdays.
